A Book about Animal Camouflage (Paperback) / Author: Jennifer Dewey If you add this item to your wish list we will let you know when it becomes available.

Camouflage is nature's way of hiding animals in plain sight. In this list you will find some books that will help you uncover the mysteries of this art of disguise. If I've missed any of your favorites, please let me know. I'd be. The lush illustrations alone will enthrall readers, but clues to seven remarkably well-hidden animals will draw them into new worlds. From the frozen tundra to the deep blue sea, Animals in Camouflage will thrill and astound readers of all ages. Of course, as seasons change, some animals find that their winter coloring no longer helps How might you camouflage yourself if you were in the woods?.

A harmless animal can frighten predators away by appearing dangerous. . The book is divided into four sections: now you see it now you don't, hiding out, copycats, and a sneaky ambush. The book Show Me Dinosaurs: My First.
