

Joan Crisols first photography collection fascinates with its coarse-grained aesthetic, complex coloring and sensual erotic staging - these are simply stirringly beautiful photographs. The dynamic that develops when browsing through the book is difficult to escape. Crisols men are masculine, striking, and although they hardly ever bear all you can still detect the fire burning just below the surface on every page. This large-format volume of 120 pages presents the impressive oeuvre of one of Spains most promising talents.
