

Within this collection you'll find three more of my books details the devilish demons of the Monsterlands Series. Never Summon A Succubus is the prequel to Caught in the Temple of Forbidden Lust, where we learn about how the cocky young sorceress Braena Wyvernwood first gained a taste for forbidden demonic flesh by accidentally summoning a succubus late one night. Within Be Careful What you Wish For, a lecherous wizard's spell to enhance himself before bedding one of his tempting former apprentices goes awry as he's tricked into summoning a terrible incubus. To make matters worse, the lustful young beauty decides to instead invite the demon into her bed forcing the hapless mage to watch in horror as his prized student cuckolds him with her beautiful fiendish lover. And finally, in A Succubus Stole My Girl!, a romantic date night goes sour when a weird magical antique is broken and conjures up a beautiful demoness. Although Bryan is more than thrilled when the succubus offers to give his girlfriend Carole her first time with a girl, but will the pretty blonde ever want anything to do with him, or any other man, after a sweltering night with her otherworldly lover? That's three sexy stories for the price of two! This collection is around 20,000 words and features hot hook-ups between a girl and a succubus, pregnancy risk sex, a tempting exotic curvy girl, a hard-bodied incubus, a bi-curious sorceress, a girl and an incubus and her cuckolded lover, and a sweltering scene where a girl lets a succubus slide her tail into... well, you'll have to read to find out!
