

This book is designed to focus on the clinical section of the new MRCS exam, which consists of short cases taken from the full range of surgical specialties. The examination schemes in the book are not intended to cover every technique in detail, but have been structured carefully so as to be helpful as an aide memoire to reinforce the candidates own knowledge gained through previous training and experience. Key features* Directly relevant to the MRCS examination* Cases chosen represent the entire exam syllabus* Clear layout and consistent structure throughout aids revision of key points

The Power of Proverbs: A Daily Devotional Guide for Young Adults, Tooling Around: Crafty Creatures and the Tools They Use, Fly-Fishing For Beginners, Citizenship and its Others (Migration, Diasporas and Citizenship), Final Curtain (Horror High S.),
