

I Am Tan is the first in a series of books inspired by my beautiful Tan granddaughter and all of the biracial children of the world with parents of different races. This book introduces Peppers family and reveals how very much they love her. Pepper hopes your biracial child is as loved as she is. Look forward to more exciting books as Pepper grows and faces victories and challenges of being a Tan or biracial child. Also pick up a copy of I Can Do It Myself, inspired by Araina (Peppers Cousin) and grow with this three-year-old as she enters preschool and beyond.
