

There are many stories told and this one isn't any different, except this one is all true. This book is not a novel or a book to make a man rich, money wise. However God's favor, His anointing is upon all of the pages. God can teach you some things through a small little book, if you will allow Him. God can speak unto you through the pages of an anointed book. When God gives something, it is always for a purpose, God has an agenda in mind, for you and even for millions. This book is all about becoming rich. You will have to determine its interpretation at times, what kind of riches is it speaking about. As you lift through the marvelous pages of God's scent and aroma, in all of the words, as you in joy this small little read. Allow God to talk to you. Consider what He is telling and in whom He is trying to speak clearly to. It possibly is the very one, called you and you alone. Yet intended for millions that is in need of its rich oil. Some things you can earn and some things you cannot. God and His riches cannot be bought with money. Yet every thing God has can be sought and given unto us all. Through and by a walk with God and a prayer life, given unto Him, from only you.

I'm Not Rich Or Wealthy Or Even Well Off Financially I was sitting on the porch this morning, meditating on God. As I was thinking, my eyes saw. All of the worldly possessions that God has blessed me with. Then I realized how rich I truly was. I have God and He gave me my life and everything that I own, speaking of possessions. I saw my backhoe, my Harley, my car, four wheeler, truck and of course my land and home that we are building. Then my mind raced, to God. I began to thank Him for leading me into His favor and blessings that He truly gave unto me and my loving wife. God made me realize that I am truly rich, I am a millionaire spiritually speaking. I do not have all of the things that my heart truly wants and even desires. I at many times do not have nothing, in my pockets but some small change or a few dollars and at times nothing at all, after paying our bills. My heart does cry for God to bless our life but I do not pray, for money. To get rich and I do not play the lottery. What do I do, one might wonder? I serve God, with all of my heart, mind and soul. I serve Him, with a contentment, in my heart and mind. Though I really would love, to have plenty of money. Who doesn't want to be a millionaire? However though, what God was allowing for me to see, as I was looking at some of the things that we own. God allowed me to know this that I have Him and there are many in the world that doesn't. This being God's way of allowing me to know that I am an honest millionaire, spiritually speaking because I am saved and serving Him. I am a son of the living God and I'm on the path of holiness living. This being God's way of saying that I'm on my way to heaven. God's asking are you, my dear reading friend? I realize that there are many of poor people, in this world. Well I have a news flash! I'm not rich, wealthy or even well off, financially speaking. I only have a small few dollars, in the bank and one twenty dollar bill that I've been stretching all week, so far. Yet I am a millionaire spiritually. Some of us will never be rich with millions of dollars, in our reach or bank accounts. However though, there was an account settled long ago by our Lord Jesus Christ. You have made Him your Lord haven't you? If not don't you want to be a millionaire? In the old account that was settled long ago. There was provision made for all mankind, to be well off, wealthy, rich and were all intended and detained. To be millionaires! God's Spirit will lead you into this kind of life. Life and life more abundantly. Yet He leaves the decision upon every one of our shoulders alone. To decide and make Him our God. Did you repent and give Him, your life yet?
