

According to the solution-focused model, the answer to a client's problem will ultimately come from the client's own repertoire of coping strategies. On the Client's Path provides everything you need in terms of theory and the step-by-step components of the solution-focused process. It shows how this therapy can be applied to a variety of clients in a range of clinical and medical settings. Additional chapters cover worst-case scenarios and crisis situations. Numerous case notes offer client-therapist dialogues drawn from a broad range of case histories.

Clinical Ethics in Anesthesiology: A Case-Based Textbook (Cambridge Medicine (Paperback)), Noir Afloat: Tony Cornero and the Notorious Gambling Ships of Southern California, Taschenbuch der medizinisch-klinischen Diagnostik (German Edition), Occult Essays, Journal of Entomology and Zoology Volume 1920 v.12 December, History of the 1900s (20th Century USA),
