

It is important for students to realize their individual actions and choices are influenced by broader social forces. By using a decision making theme within a sociological framework, Lamanna and Riedman provide the solid research and theoretical base that students need, along with the practical examination of personal choices and decision making that students want.

Je suis un écrivain (comment écrire un thriller, un polar, un roman d'horreur...): Guide de l'auteur professionnel (French Edition), The Culture and Civilization of Ancient India in Historical Outline, Butterflies (French Edition), Over Welsh hills, Stereochemistry: Conformation and Mechanism, Bolivia (Discovering South America), Modern Inorganic Chemistry, Astrological Prediction as Deduced From The Character Of The Sign Of The Zodiac Ascending At The Birth Of The Individual,
