

Every few decades, a book is published that changes the lives of its readers forever. This material is one of those few materials, whose content is bound to change the lives of its intended readers; Quail bird farmers, forever. This book is purposely written, for that Quail bird farmer who is struggling with the idea of Markets and Marketing Strategies, that he/she can employ in order to yield more profitable returns out of his/her hard earned investments. This book has been carefully written, in an easy to understand language and style, that would not only leave its reader with more clues and answers at its end, but will equally challenge and provoke the reader into implementing some rare sales and marketing strategies, that would possibly yield more returns. Taking your time to go through this thought provoking read, is an investment that you would never regret to have taken.

Transport for Disabled People, Developing Accessible Transport: The Role of Demand Responsive Services, T.J.
