

Moving toward their fourth jump, Sephoria has taken Century, and those whom are accompanying her, to the mystical and unbelievably magical realm of Camelot, of the Once and Future King, King Arthur, and his Knights of the Roundtable. Merely hoping the book she had read, and had captured her vivid imagination, at the New York City Public Library, Sephoria wants to see this timeline, these people, which the novel had written about. Shes never seen, or has even heard of magic, of Merlin, or anything that was detailed within the pages. Will Sephoria get swept up in this fantastical world, this world of whimsical dreamlike beings of sorcery, of Knights and kings? Welcome to The Time Jumper Series
